**Subject:** Authentication of Additional Qualification certificate  
in respect of other state students...

**Preamble:** Maharashtra Medical Council Act 1965, section 20 (4) provides provision of registration of additional qualification. As per said provisions students are applying to Maharashtra Medical Council to register their additional qualifications. However, authentication of documents in respect of other state's students is time consuming & complicated in nature. Therefore, verifying candidate's qualification becomes crucial stage for registration. Fake certificates is worldwide problem which Jeopardise reputation of institution / organizations. Thus to simplify process of authentication of additional qualification of other state students is under consideration of Council.

**Resolution:** In order to smoothen simplify process of additional qualification, Council in its Executive committee meeting dt. 29.02.2020 has passed following resolution;

***"The Candidate who had completed their post-graduation from other state should register Additional Qualification with respective State Medical Council. Committee also decided to procure NOC from respective State Medical Council for registering additional qualification with Maharashtra Medical Council."***

**Benefits:** i) It saves cost, time and man power of council.

ii) Applicants presence not required which saves his/her valuable time, cost.

iii) Secured Verification.
