**No. MMC/Circular/Webinar/2020/01898**

**Date-** 24/08/2020

### **CIRCULAR**

**Sub.:** Guidelines of Webinar CPD program to be granted MMC credit points for accredited organization.

**Preamble:** In view of COVID-19 pandemic, Government of India and State Government has given directions not to hold physical conferences/workshops/meetings, to reduce mass gatherings, to avoid the spread of COVID-19.

In view of the said directives Council has cancelled all conferences/workshops/ meetings of accredited organizations. And, decided not to grant CPD credit points till further order of Government of India & State Government.

Government of India has started Webinar series through iGot (Diksha) platform and same was available to RMPs. Secondly, there are several demands from accredited organizations of MMC for granting credit points to webinars and also to update medical knowledge of the RMPs of the Council. Hence, Council has called Extraordinary Council meeting on 19/08/2020 and passed following resolution: -

*" After detailed discussion and deliberations, the Council members unanimously decided to launch/start webinar with approved detailed guidelines to conduct webinar to upgrade the knowledge of the Registered medical practitioners and grant credit hours for these webinars.*

*The said webinar shall be conducted by accredited organization, associations, medical colleges and teaching institutes. Further, Council resolved to implement this resolution with immediate effect."*

(Sanjay Deshmukh)
