### **CIRCULAR**

**Sub.:** - Regarding Issuance of E-digital Permanent  
Registration/Additional Registration Certificate.

Dear Doctors,

I have to inform you that, Council is in receipt of suggestions from stakeholders to provide Registration Certificates as early as possible. Paper certificates are not available immediately as it required time to design, print and dispatch. Digital Certificates are delivered instantly. It is therefore need of the hour to shift towards a more secure, controllable, time and cost effective strategy. Therefore, as a part of digitization and to simplify process of providing registration certificate, Council has decided to issue E-digital Registration Certificate.

Please note that, Doctors who had applied for Permanent/Additional, whose authentication have been done and registration numbers are generated, council has generated such doctors E- digital certificate.

E-digital certificates are available in Registered Medical Practitioner profile on our MMC website. Registered Medical Practitioner can download and print certificates.
