MMC OFFICIAL ONLINE CPD PLATFORM

Launch of MahaCPD

Ref: Council letter dt. 23.07.2024.

Continuous Professional Development (CPD) is a core academic initiative of the Maharashtra Medical Council. Each year, MMC facilitates numerous educational programs; however, limitations such as time constraints, speaker availability and geographical barriers often restrict participation. To address these challenges and extend CPD opportunities beyond urban centers to every corner of the country.

MMC is proud to launch MahaCPD (www.mahacpd.com) — a unique blockchain and facial ID based CPD portal.

MahaCPD Portal is an innovative digital learning platform designed to provide RMPs with high-quality, credible and standardized digital CPD in an accessible and efficient manner. The portal enables **on-demand access** to CPD courses, ensuring uniformity in content quality while allowing RMPs to learn at their convenience, anytime, anywhere on any device.
