*Launches*

## Online CME Credit Points

*in partnership with*

Government of Maharashtra

*Digital Partner*

 **Omnicuris**

# Requirements for Online CME

- Laptop/Desktop/Mobile with front camera
- Minimum Internet speed of 1Mbps
- Registered Medical Practitioner with MMC

# Step 1:

Registration for online CME (<https://www.maharashtramedicalcouncil.in>)

The screenshot displays the homepage of the Maharashtra Medical Council, Mumbai. The header includes the council's logo, name, ISO 9001:2015 certification, and address. A navigation menu lists various services. The main content area features a central graphic for 'Online Services' with links to NRI Services, Online Applications, Online Payment, Renewal, and Registration. A sidebar on the left contains a menu with 'Online C.M.E.' highlighted in red, and a sub-menu with 'Register For Online C.M.E.' also highlighted in red. Below the main content, there is a notification section with a 'Notification' tab selected, displaying a notice for the renewal of registration.

# Step 5: After Registration, RMPs will be directed to Omnicuris Course Listing Page

The screenshot shows the Omnicuris website interface. At the top left is the Omnicuris logo. A search bar is located at the top center, and the user's name, "Dr. Priyank Jain", is displayed at the top right. A navigation menu includes "HOME", "COURSES", "CLINICAL BRIEF", "CASE STUDY", and "KNOWLEDGE TO PRACTICE". A large banner for the "Introduction to Echocardiography" course is featured, with the text "Enroll Now" and "Certification by Jayadeva Institute of Cardiovascular Science". To the right of the banner is the logo of the Sri Jayadeva Institute of Cardiovascular Sciences & Research. Below the banner are filter options: "Filter By All Certification" and "All Speciality". A "41 Courses available" indicator is present. The first course listed is "IOA: Pain Management", which is marked as "ENROLLED". The course description states: "Pain Management covers the wide range of the conditions pertinent to pain management and meets the educational needs of healthcare professionals. This Course has a unique focus on interdisciplinary and multidisciplinary approaches to pain management and service provision." Below the description, it lists "Certification By:" and "Experts" with corresponding profile icons. A "Certificate" icon is also visible on the right side of the course card.
